Letter from the President

Hello Golfers!

Thirty-one years! I am amazed every time the first Friday in June rolls around at how long the friends of Landis Adult Day Services have been coming together to support this important program. If this is your first time here, or you have been to them all, we are so grateful for your participation in this event

By supporting the Landis Adult Day Services Golf Outing, you help aging adults who benefit from daytime care to help them thrive. Participants enjoy meaningful activities and companionship and are

assisted with taking medicines and having nutritious meals. You also help family members work or take a break from caregiving. Over the past 30 years, this event has raised an astounding \$1.35 Million for clients of Landis Adult Day Services.

The team from Adult Day Services is so grateful for this support. Recently Director Christy Carpenter said, "The golf event has sponsored many clients who would otherwise not have been able to come to the center. It has definitely benefited us the last two years during COVID-19. The funds were used to help us stay open and serve clients."

Your participation today helps continue this effort, making a difference not only for the clients, but also for their family caregivers. Clients are able to stay in their homes longer, thrive more and have a better quality of life because of your generosity.

Please take a few minutes to read through this booklet and to thank those companies and individuals who have made this day possible. Most importantly, ENJOY YOUR DAY!

A Message from the Director

Welcome Golfers!

I want to personally thank you for your participation in the golf tournament! Your participation, while fun for you, directly benefits the people that attend Adult Day Services and their caregivers here at Landis in ways you may not realize!

None of us knows what the future will bring but when memory loss, stroke, Parkinson's disease or other diseases come our way; life changes drastically! Care is needed for safety and social interaction.

We are so pleased to provide an environment that allows clients to really enjoy a day with activities and programs that are of interest to them.

Caregivers may need to continue to work or they may need a bit of respite. Landis Adult Day Services reduces the worry for care during the day! They know that fun, food and fellowship are part of every day in our center!

This past year we continued to navigate our way through the complexities of COVID-19. We are thankful to report that with the exception of one week in February 2022, we have been able to keep our doors open for services. At this time, we continue with mitigations in our center but are hopeful in the next few weeks we will be able to fully reopen the center allowing us to provide services to the full extent of our capacity.

Your participation in this event reaches out to people who are in need of our services in the community and has a ripple effect of benefiting them and those who care for them. Thank You for being here for them today!

Our clients know that this outing makes a big difference for them!!

Putting Contest Sponsored by

Stop by the putting green for a chance to win a great prize, compliments of Ames Construction, Inc.

Tournament Rules

- Men will play from white tees.
 Seniors 68 years and over and women from red tees.
- 2. All putts must be holed. No "gimmies."
- 3. Threesomes are required to take rotating shots. On Contest/Prize Holes, threesomes are eligible to win using first shot only.
- Mulligans received through the Super Ticket may be used on any shot except Closest to the Pin and Faith's/Christy's Challenge.
- 5. Out of bounds (white stakes)—penalty—one stroke plus distance. Water hazard—penalty—one stroke.
- The Golf Tournament is a scramble. Therefore, just one official score card is needed per foursome. Turn in your score card to the desk in the Foxchase Club Golf Pro Shop immediately following the completion of 18 holes.
- 7. The tournament rules for the scramble.
 - A scramble means that all four team members tee off on each hole and then decide which tee shot they like the best and mark the spot with a tee or other marker.
 - b. The other team members pick up their balls and place them within one club length (no closer to the hole) of the marked spot. Each team member hits their next shot from the chosen spot of the prior shot.
 - This procedure is followed on every shot for the remainder of the hole, including putts.
 - d. Putts need to be placed within three inches of the marked spot (no closer to the hole). The first ball to go in the hole is counted for the team score.
 - e. If the ball you choose to play is in a hazard (sand, water, etc.), the rough, or out of bounds, you cannot drop the ball outside of the hazard or rough even if relief is within one club length away.
 - f. Each team must use at least one of each team member's tee shots on each nine (minimum two tee shots per player), except all-senior foursomes.
- 8. Speed of Play: Maximum strokes per hole—**double bogey**. "Be ready" golf etiquette.

If you need a rules interpretation, discuss within your designated foursome.

The 31st Annual Landis ADS Golf Outing

Melissa Kalicicki, Annual Gifts Officer

Joel was just 1,000 miles short of earning his 3 million miles of safe trucking when he encountered a health problem. Unfortunately, it resulted in the loss of his license. Devastated, he wasn't coping well with

being home. He loved his job driving tractor trailer – sometimes hauling loads from Florida all the way up to Canada. He missed the open road. He missed working.

Eventually, his wife found Landis Adult Day Services, and Joel began attending. He made friends. His sense of humor and quick wit make those around him laugh.

Joel stood by his 1955 Ford Crown Victoria that he used to own prior to his health changes. He used to enjoy driving tractor trailer and vintage cars.

Married 60 years, Joel and his wife have overcome their share of difficulties. The loss of two of their three children along with the loss of his ability to drive have been tough.

"The Lord got me through difficult times. Finding peace has been ongoing, but I like the people here and enjoy listening to music—particularly the Oldies." Joel shared.

Joel enjoys going to Adult Day Services and benefits from seeing friends and participating in activities. While he still misses driving a tractor trailer, he can share his life experiences in a supportive environment.

Your participation in the Outing is helping to make an engaging, lifeenriching program available to clients as they face declining health and provides financial scholarships for those who need assistance.

Forging a Path Forward Adult Day Services Week, February 2022

By Leone Wagner, Adult Day Services Activities Coordinator

It's empty in the center. The tables and chairs that have been appropriately spaced to accommodate social distancing are empty. The time is 6:55 am.

I don't walk into this space without expectations. A job I've held for more than 15 years. A job that can be exhausting, yet makes me aware of a world I did not know well before; aging and aging issues.

Here, today I am going to try my best to make this day good for our special clients! My efforts are to make the hours between 7 and 5 fun, relational and entertaining.

I accomplish that by being aware of the many different life paths that merge here. Our clients come from occupations that are diverse; housewives, painters, farmers, teachers, coaches, artists, administrative assistants, and carpenters, to name a few. We spend the day together, chatting informally and frequently discovering new things about each other.

An art teacher teaching us about creating cartoons.

A farmer telling us about growing corn.

A pastor telling us about his work at creating peace in a troubled world.

A train enthusiast telling us about train lay outs.

I assist them in daily exercise with a routine I have crafted for all levels of energy with music that they enjoy.

This is a job with lots of variety: encouraging involvement in social activities, challenging clients with cranium crunchers and modified activity games, and rounding out the day with educational or informational entertainment.

This is a job I have chosen, it brings to others things that cannot be bought. Respect, dignity, acceptance, belonging and joy.

Funny how it brings those things to me too, as I serve day to day.
