# Enriching Each Day, Together

**W**e invest time in the people we care about, and we long to spend our days in places that make us feel happy, safe, and valued. Each day can be an enriching day when your loved one spends it with the professional, devoted team members of Landis Adult Day Services.

In this home-like environment, simple gestures of care make the moments positive: a favorite snack is ready to enjoy, a birthday is celebrated, fun-filled conversations bring delight.

## **OUR PURPOSE**

We strive to add meaning and value to the lives of the persons we serve. We offer support to families to minimize the pressures of daily care and provide the time they need to take care of themselves and their ongoing responsibilities. Landis Adult Day Services can extend the opportunity for our clients to live in their homes as long as possible.

## OUR CENTER

Our team members partner with each client (age 60 or older) and their family. Our center is located on the campus of Landis Homes. This vibrant community builds friendships and enriches daytime hours with meaningful activities and healthy meals. Within this welcoming yet secure location, the dignity of everyone is our top priority.
