Letter from the President

Dear Friends,

On behalf of Landis Adult Day Services, it is my great pleasure to welcome you to our 34th annual golf event. We are truly honored to have your support and participation in this special time. Whether you're a returning friend or joining us for the first time, thank you for spending the day with us on the course in support of a mission that touches so many lives.

As we tee off today, we are not just playing a round of golf; we are making a lasting impact on the lives of older adults and families in our community. Your involvement directly supports the compassionate, person-centered care we provide each day to individuals who benefit from social connection, skilled support, and a sense of purpose at Landis Adult Day Services.

Thanks to the collective effort of our dedicated supporters, over the past 33 years, we have passed the \$1.5 million mark raised for this event. Funds raised go toward enhancing the lives of those we serve, offering families peace of mind and enabling their loved ones to thrive in a safe, engaging environment.

To learn more about the programs and people you're supporting today, I invite you to visit LandisAdultDay.org. There you'll find stories of hope, care, and community—stories that are made possible because of friends like you.

Thank you once again for being part of this meaningful day. May you enjoy the fellowship, fun, and a few great shots along the way!

With gratitude,

Larry Zook
President/CEO, Landis Communities

Message from the Director

Welcome Golfers!

I want to thank you for your participation in the golf tournament! Your participation, while fun for you, directly benefits the clients that attend Adult Day Services and their caregivers in ways you may not realize.

None of us knows what the future will bring, but when memory loss, stroke, Parkinson's or other diseases come our way, life changes drastically. Care is needed for safety and social interaction. We are so pleased to provide an environment that allows clients to enjoy a day with activities and programs that are of interest to them.

Caregivers may need to work or they may need a bit of respite. Landis Adult Day Services reduces their worry for care during the day. They know that fun, food and fellowship are part of every day in our center!

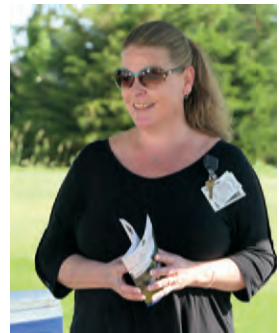

This past year our number of clients significantly increased as more and more folks experience the need for day services. These services fight against isolation, apathy and depression as they bring daily fun, socialization and joy.

Your participation in this event reaches out to people who are in need of services in the community and has a ripple effect of benefiting both them and those who care for them. Thank you for being here for them today!

Our clients and staff thank you for helping us
“score a hole in one!”

Christy Carpenter
Director of Landis Adult Day Services

Tournament Rules

1. The Golf Tournament is a scramble. Therefore, just one official score card is needed per foursome. You can record your scoring in the app with your smart phone or turn in your paper score immediately, at the meal following completion of your round.
See page 49 for scoring app links.
2. Men play from white tees. Seniors 68 years and older and women from red tees.
3. All putts must be holed. No “gimmies.”
4. Threesomes are required to take rotating shots. On Contest/Prize Holes, threesomes are eligible to win using first shot only.
5. Mulligans may be used on any shot except Closest to the Pin and Christy’s Challenge.
6. Out of bounds (white stakes) – penalty – one stroke plus distance.
Water Hazard - penalty – one stroke.
7. The tournament rules for the scramble:
 - a. A scramble means that all four team members tee off on each hole and then decide which tee shot they like the best, and mark the spot with a tee or other marker.
 - b. The other team members pick up their balls and place them within one club length (no closer to the hole) of the marked spot. Each team member hits their next shot from the chosen spot of the prior shot.
 - c. This procedure is followed on every shot for the remainder of the hole, including putts.
 - d. Putts need to be placed within three inches of the marked spot (no closer to the hole). The first ball to go in the hole is counted for the team score.
 - e. If the ball you choose to play is in the hazard (sand, water, etc.), the rough, or out of bounds, you cannot drop the ball outside of the hazard or rough even if relief is within one club length away.
 - f. Each team must use at least one of each team member’s tee shots on each nine (minimum two tee shots per player), except all-senior foursomes.
8. Speed of Play: maximum strokes per hole – double bogey. “Be ready” golf etiquette.

BackSwing's Lady Pro Shot - Hole 9

This year we are excited to announce our partnership with BackSwing Golf who is hosting their Beat the Pro competition.

This game provides players with an exciting opportunity to go head-to-head with an aspiring female golf professional! Find out more when you get to Hole 9.

BEAT THE PRO

Join us on a Par 3 to challenge a lady pro golfer in an exciting closest-to-the-pin competition! If you beat her shot, you'll double your tickets for a chance to win a prize!

Christy's Challenge Contest Rules - Hole 18

Mulligans may not be used on this hole.

Before hitting, give notification at the hole that you are a Super Ticket holder or have purchased this ticket.

Men play from white tees, seniors 68 years and over and women from red tees. If your tee shot ball lands on the green, you will receive a sleeve of balls.

Land inside the circle on the green and you will split 50% of the total cash contributed for the contest with any other golfer who did the same. The other 50% goes to Landis Adult Day Services.

Enjoy, and we wish you the best!

Putting Contest

Stop by the putting green for a chance to win a great prize, compliments of Eby Exteriors, a division of Ames Construction, Inc.

Your Support of the Landis Adult Day Services Golf Outing Makes a Life-Changing Difference for Older Adults

Many accomplished and resilient clients participate in the Landis Adult Day Services Program, and Charles is one of them.

Charles has lived in Lancaster, PA, his whole life. He served in the Army for three years and then worked as a driver-salesperson for a local company. He enjoys cheering for the Eagles, spending time with family, and doing housework when possible. The past few years have been very tough.

“My wife and one of my sons passed away last year and it was difficult. I also gave up driving this year. My granddaughter is in the nursing field, and she helped me find Landis ADS. I like everything here. It gives me something to do all day. I cannot wait to come here every morning. I have made friends. I tell everyone to come here because the people are wonderful,” Charles shared.

Through the Golf Outing you have the opportunity to support Landis Home and Community Based Services, which include the Landis ADS Program. Your support makes engaging, life-enriching programs available to clients as they face declining health and provides financial resources for those who need assistance.

“Before I came to Landis ADS, I had a very bad year...” – Charles
